***His Present Presence***

Worksheet 17: **March 5, 2015**—*integrity*

He who dwells...will rest (ref: Psalm 91:1)! We are to be aware of and content in the company of God's presence with us right now. The *integrity* of worship acknowledges, acclaims, and adores His divine Presence not out there someday, but right here and right now—today!

"Discontentment disregards the divine Presence promised to the Lord's own."

V. Raymond Edman

"Do not long for the absence of problems in your life  
...do not seek your heaven on earth  
...the best equipping is My living Presence,  
My hand that never lets go of yours."
